Subject: **Important Update – Issuing 60-day Temporary Tag When Title Is On 5-day Lien Release Hold**

Effective immediately, dealers can now issue 60-day temporary tags during the 5-day title hold period pending the release of a lien.

Previously, when a dealer acquired a vehicle, and the lien was in the process of being paid off; a temporary 5-day hold was placed on the vehicle record which prevented the issuance of a 60-day temporary tag. We are pleased to advise the 5-day hold is no longer in place and you can now issue 60-day temporary tags.
